Albert S. Baker Executive Vice-President Greater Concord Chamber of Commerce
83 North Main Street Concord, N.H.
Telephone Area Code 603 Number 224-2508

1965

A voluntary association of business and professional leaders of the community promoting economic and social well being of the Greater Concord Area.

In Concord's Bicentennial Year:

Identified the year-long bicentennial celebration as a possible community program and organized the Bicentennial Corporation to carry out the plan.

Moved from 7 Capitol Street, after occupancy of that space for 40 years, to the present address and the building constructed by a predecessor organization, "The Concord Board of Trade", in 1873.

Adopted its first "fair share" formula for dues investment support and reached a membership of 257 individuals and firms with a budget of \$27,000 - up \$6,000 from the preceding year.

Continued to manage Concord Regional Development Corporation, a private enterprise dedicated to economic development of the community particularly in the field of new industry.

Saw its efforts result in a state-government description of the community with the greatest economic diversity of any region in the state.

Through its Retail Trade Board organized and carried out the city's first year-long program of cooperative Retail Promotion Sales.

Sponsored Concord's Outdoor Art Exhibit on the State House Plaza and Capitol Shopping Center Mall with more than 250 exhibitors.

Conducted a Series of Seminars on the Private Enterprise economic system at New England College.

In its office, greeted and served visitors from every state in the United States, Mexico, Costa Rica, Venzuella, Brazil, Australia, England and Canada in the first eight months.

Supported studies resulting in recommendation of the first large-scale urban re-development project for an area of 65 acres north of the State House, with aid of federal government funds.

Identified, as the first public agency to do so, a critical community water problem and supported public action to increase and improve supply.

Conducted a series of monthly breakfast meetings of business men at which major community problems were identified and presented to the public.

Erected American flags, as a sidewalk display, throughout the Downtown area on patriotic holidays and other significant occasions.

Prepared and issued the following publications:

Monthly Newsletter to members.

Periodic bulletin to real estate brokers listing clients

for real estate purchase or rental as extracted from

correspondence.

New tourist map of Concord identifying major points of interest.

New gen eral city map.

New community brochure.

Roster of manufacturing industries.

Roster of Hotels, Motels and restaurants.

Industrial prospectus for new industry clients.

The Chamber's Program of Work.

Buyers Guide and Membership Roster.

Conducted a community welcome to new teachers in the city schools.

Supported convention groups meeting in the area to include The National Button Show and New Hampshire Education Association.

Received, answered or distributed 6023 pieces of mail from January 1 to July 31, 1965.

Donated to Concord Public Library as a significant historical document the required Evaluation Report by which Greater Concord Chamber of Commerce was the first local Chamber in New Hampshire and among the first nine in the United States to be Accredited by the Chamber of Commerce of the United States.

As a part of its community service the Chamber published a monthly summary of business activity of which the summaries for 1963 and 1964 are significant.

PROGRAM OF WORK AND PLAN OF ACTION 1965

This announcement of committee appointments and their assigned tasks represents the formal Program of Work and Plan of Action for the Greater Concord Chamber of Commerce for 1965.

In addition, the Chamber will support Concord's Bicentennial Celebration throughout the year.

The program is organized under four General Goal Committees:

Business Development Community Betterment Public Affairs Organization Improvement

Each Goal Committee is responsible to the Board of Directors for coordinating the work of task committees.

Committee chairmen are requested to call meetings of their groups for initial discussion of tasks assigned and the setting of dated for specific accomplishment. These meetings should be held prior to Thursday, December 17 when all committee chairmen will meet with the Board of Directors to present, in short statements, plans for the year.

At the initial meeting of each committee these things should be done:

Appoint a clerk to be responsible for minutes of all meetings.

Establish a time table for completing tasks.

Fix, at this and later meetings, the date, time and place of the next meeting.

Following each committee meeting, the minutes should be filed at the Chamber Office by the Clerk where they will be transcribed, distributed to members and placed in the permanent committee file.

Committees developing recommendations as to Chamber policies to be considered for adoption by the Board of Directors should submit them in writing, together with a statement of reasons as to why the proposed policy should be adopted. The Board of Directors meets regularly on the third Thursday evening of every month.
